Report on 7 Days NSS Special Camp at Awali Village, Tal. Panhala, District Kolhapur.

(19/01/2026 to 25/01/2026)

Name of the College: Dr. Deepak Patil Ayurvedic Medical College, Navi Mumbai

2. Name of the Programme: Rashtriya Seva Yojana (NSS) – Special Camp

3. Place of Camp: Awali Village, kolhapur

4. Duration of Camp: 7 Days

5. Date of Camp: 19/01/2026 to 25/01/2026

6. Number of NSS Volunteers: 50 Students

7. NSS Programme Officer: Dr. Sandeep Patil

Introduction

The NSS Unit of Dr. Deepak Patil Ayurvedic Medical College organized a 7-day Special Camp at Awali village with the objective of rural development, health awareness, sanitation improvement, and community participation. The camp aimed to provide practical exposure to students in community health services and social responsibility.

Objectives of the Camp

- To promote cleanliness and environmental hygiene.
- To create awareness about preventive healthcare.
- To conduct health check-up and screening camps.
- To provide school health education.
- To encourage plantation and environmental conservation.

Camp Schedule:

The camp started with an orientation session, followed by a series of activities conducted every day, focusing on community welfare, education, health, and environmental issues. The following activities were carried out during the camp:

Inaugural Ceremony:

The inaugural ceremony was held in the presence of the village Sarpanch Hon. Mr. Rajaram Yashwant Sathe and Panchayat members and also our Collage's Founder Hon. Mrs Swati Patil Madam, NSS officer sir Dr. Sandip Patil Sir, NSS coordinator Dr. Sayli Sankpal and Dr. Imtiyaj Desai are present at the time of ceremony. The importance of community service and the role of youth in nation-building were emphasized.

Day 1 – Inauguration & Village Cleanliness

- Inaugural function with Gram Panchayat members.
- Orientation of NSS volunteers.
- Cleanliness drive in village streets and public areas.

Day 2 – Sanitation & Survey

- Door-to-door survey on sanitation and health status.
- Awareness session on communicable diseases and hygiene.
- Street cleaning activity.

Day 3 – Health Check-up Camp

- General health examination (BP, weight, blood sugar).
- Identification of common illnesses.
- Distribution of medicines and health advice.

Day 4 – Cultural & Awareness Programme

- Cultural activities promoting social awareness.
- Anti-addiction awareness session.
- School sanitation activity.

Day 5 – School Health Service & Yoga

- Health education lectures for school children.
- Demonstration of hand-washing techniques.
- Yoga session for students and villagers.

Day 6 and 7 – Plantation & Guest Lecture

- Tree plantation drive.
- Cleanliness activity.
- Guest lecture on preventive healthcare and Ayurveda.
- -Gardening & Valedictory Function
- Gardening and village sanitation activity.
- Feedback from villagers.

Outcomes of the Camp

- Increased awareness about sanitation and hygiene.
- Early detection of health problems in villagers.
- Improved student understanding of community medicine.
- Active community participation.

Conclusion

The NSS Special Camp at Awali village was successfully conducted with active participation of NSS volunteers and cooperation from villagers. The camp achieved its objectives of promoting health awareness, sanitation, and environmental protection.

Report of NSS Special Camp

Day 1

Name of the Programme: Rashtriya Seva Yojana (NSS) Special Camp

Organised by: Dr. Deepak Patil Ayurvedic Medical College, Borpadale

Venue: Awali Village

Day & Date : Day 1, 19/01/2026

Theme: Not Me, But You

Introduction

Dr. Deepak Patil Ayurvedic Medical College, Borpadale successfully organized a RashtriyaSeva Yojana (NSS) Special Camp at Awali Village with the active participation of NSS volunteers. The camp aims to promote community service, health awareness, sanitation, and social responsibility among students.

Inaugural Ceremony

The first day of the camp began with an inaugural function in the presence of village representatives, NSS Programme Officer, faculty members, and volunteers. The programme started with a prayer followed by an introduction to NSS objectives and the importance of village adoption.

Activities Conducted on Day 1

- Orientation of Volunteers
- NSS volunteers were briefed about the camp schedule, rules, and responsibilities.
- Importance of discipline, teamwork, and service was emphasized.
- Village Survey and Rapport Building
- Volunteers conducted a preliminary survey of Awali village.
- Interaction with villagers helped in understanding local health, sanitation, and social issues.

-Cleanliness Drive

A cleanliness campaign was carried out in public places such as village roads and surrounding areas.

Volunteers actively participated in cleaning and spreading awareness about hygiene and sanitation.

-Health Awareness Interaction / Role Play Activity

- Basic awareness regarding personal hygiene, clean drinking water, and prevention of common diseases was given to villagers.
- Importance of Ayurvedic lifestyle practices was briefly explained.

As part of the NSS Special Camp, a Role Play Activity was conducted to create awareness about the harmful effects of drug addiction among villagers and youth. Drug abuse is a major public health and social problem that affects physical, mental, and social well-being. Role play was chosen as an effective and engaging method to communicate the message in simple language.

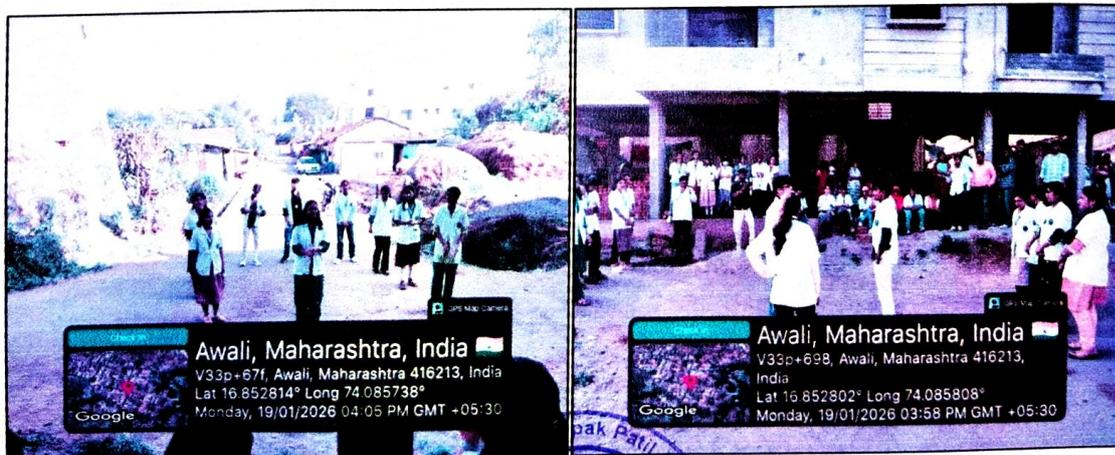

The Role Play Activity conducted during the NSS camp was highly effective in delivering health education messages in an interactive manner. It proved to be a powerful tool for community awareness and student skill development. Such activities should be regularly conducted in rural health programs.

Outcome of Day 1

- Volunteers developed a sense of social responsibility.
- Positive interaction and bonding were established between villagers and NSS volunteers.
- Awareness about cleanliness and health was initiated in the village.

Conclusion

participation of NSS volunteers and cooperation from villagers made the programme effective and meaningful. The day laid a strong foundation for upcoming activities of the camp

Report – NSS Special Camp

Day 2

Organized by: **Dr. Deepak Patil Ayurvedic Medical College**

Venue: Awali Village

Activity Date: Day 2 of NSS Camp

Introduction

On the second day of the NSS Special Camp at Awali Village, the NSS volunteers actively participated in village cleanliness drives, sanitation activities, and attended an informative guest lecture. The objective of the day was to promote hygiene awareness and community participation for a healthier environment.

1. Cleanliness Drive (Swachhta Abhiyan)

The day began with a cleanliness campaign in different areas of the village. NSS volunteers:

Cleaned village roads and public places.

Removed plastic waste and garbage from surrounding areas.

Cleaned drainage lines to prevent water stagnation.

Spread awareness about proper waste disposal methods.

Villagers were encouraged to maintain regular cleanliness practices and avoid littering.

2. Sanitation Awareness Activity

After the cleanliness drive, volunteers conducted a sanitation awareness program which included:

Door-to-door communication about personal hygiene.

Awareness regarding hand washing techniques and use of toilets.

Information about prevention of communicable diseases.

Guidance on safe drinking water and waste management.

Pamphlets and practical demonstrations were given to explain the importance of sanitation in daily life.

3. Guest Lecture Session

A guest lecture was organized for villagers and NSS volunteers. The guest speaker addressed important topics such as:

Importance of cleanliness and sanitation in disease prevention.

Role of youth in rural development.

Community participation in maintaining a healthy village environment.

The session was interactive, and villagers actively participated by asking questions and sharing their views.

Conclusion

Day 2 of the NSS camp was successfully completed with enthusiastic participation from NSS volunteers and villagers. The activities helped in creating awareness about cleanliness and sanitation while motivating the community to adopt healthy practices for overall well-being.

Report of NSS Special Camp

Day 3

Name of the Programme: National Service Scheme (NSS) Special Camp

Organized by: Dr. Deepak Patil Ayurvedic Medical College, Borpadale

Village: Awali

Date: Day 3

Number of Volunteers: 50

Theme: Community Health, Hygiene and Social Awareness

Objectives of Day 3

To promote personal and environmental hygiene in the village

To create awareness about health, sanitation, and healthy lifestyle

To strengthen community participation through volunteer service

Activities Conducted

1. Morning Assembly and Yoga Session

The day started with a morning assembly followed by yoga and physical exercises. The session helped volunteers maintain physical fitness and mental discipline. Yoga practices focused on improving concentration and overall well-being.

2. Cleanliness Drive (Swachhata Abhiyan)

NSS volunteers actively participated in a cleanliness drive in village streets, school premises, and public places. Waste materials were collected and disposed of properly. Villagers were motivated to maintain cleanliness in their surroundings.

3. Health Awareness Programme

An awareness session was conducted on:

Personal hygiene

Hand washing techniques

Safe drinking water

Prevention of common communicable diseases

The volunteers explained health concepts in simple language, making it easy for villagers to understand.

4. Door-to-Door Survey / Interaction

Volunteers interacted with villagers to understand their health problems, sanitation practices, and lifestyle habits. Information related to nutrition, cleanliness, and disease prevention was shared.

5. Evening Review Meeting

In the evening, a review meeting was conducted by NSS Programme Officers. Volunteers shared their experiences, challenges, and learning outcomes of the day.

Outcome of Day 3

Increased awareness about cleanliness and hygiene among villagers

Active participation of villagers in cleanliness activities

Improved communication and leadership skills among volunteers

Strengthened bond between students and the rural community

Conclusion

Day 3 of the NSS camp was highly productive and meaningful. The activities helped in promoting health awareness and cleanliness while instilling social responsibility among NSS volunteers.

NSS Special Camp report

Daily Report – Day 4

Name of the Programme: Rashtriya Seva Yojana (NSS) Special Camp

Organized by: Dr. Deepak Patil Ayurvedic Medical College, Borpadale

Village: Awali

Date: 22/01/2026

Theme: Cultural Awareness, Sanitation Drive and Community Survey

Number of Volunteers: 50

Objectives of the Day

- To promote social harmony and cultural values through community participation.
- To create awareness regarding cleanliness and sanitation.
- To collect health and socio-demographic data of villagers through survey.
- To strengthen the bond between students and the rural community.

Activities Conducted

1 . Cultural Event

On the fourth day of the NSS camp, a cultural programme was organized in the village during the evening session. NSS volunteers presented folk dances, patriotic songs, street plays, and skits focusing on themes such as cleanliness, de-addiction, women empowerment, education, and social unity.

Villagers actively participated and appreciated the performances. The cultural event helped in spreading social messages in an entertaining and effective manner, creating a positive impact on the community.

2. Sanitation Activity

A sanitation and cleanliness drive was carried out in the morning by NSS volunteers.
Activities included:

- Cleaning village streets, public places, and surroundings
- Removal of plastic waste and garbage
- Awareness about proper waste disposal and personal hygiene

Volunteers educated villagers on the importance of Swachh Bharat Abhiyan, safe sanitation practices, and prevention of communicable diseases through cleanliness.

3. Village Survey

NSS volunteers conducted a house-to-house survey covering various aspects such as:

- Family details and housing conditions
- Drinking water sources and sanitation facilities
- Personal hygiene practices
- Health problems and availability of medical services

The collected data will be useful for identifying health needs and planning future community health programmes.

4. Door-to-Door Survey / Interaction

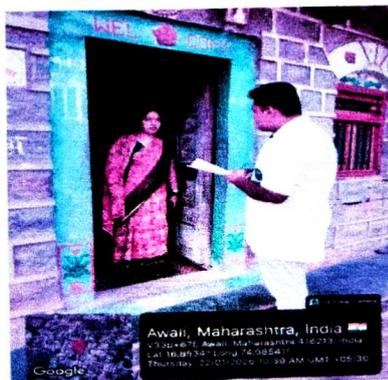

The NSS survey activity was successfully conducted with active participation of volunteers. The screening helped in early detection of communicable and non-communicable diseases and promoted preventive healthcare practices in Awali village. Such community-based surveys are essential for improving rural health indicators and practical training of medical students.

Type of Study: Door-to-door cross-sectional survey

Sample Size: 120 households covered to understand their health problems, sanitation practices, and lifestyle habits. Information related to nutrition, cleanliness, and disease prevention was shared.

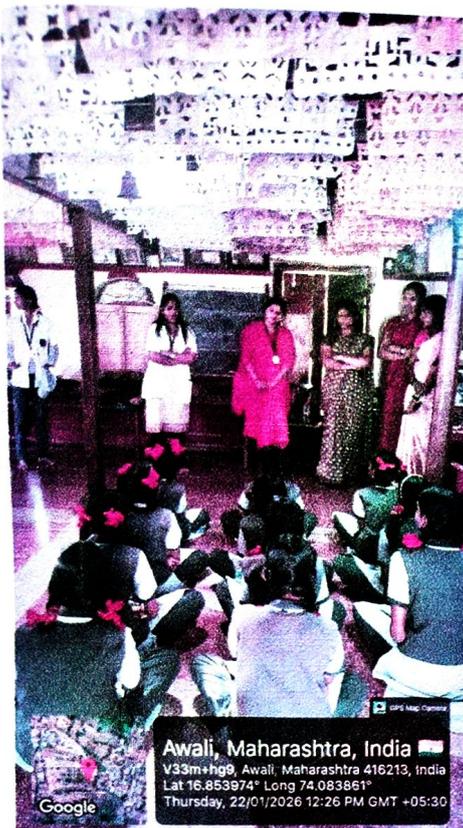

Outcome of the Day

- Increased awareness regarding cleanliness and sanitation among villagers
- Effective communication of social messages through cultural activities Collection of valuable health and socio-economic data
- Strengthened relationship between NSS volunteers and villagers

National Service Scheme (NSS) Special Camp report

NSS Camp – Day 5 Report

Name of the Programme: National Service Scheme (NSS) Special Camp

Organized by: Dr. Deepak Patil Ayurvedic Medical College, Borpadale

Place & Date : Awali Village , 23/01/2026

Participants: NSS Volunteers, Programme Officers, Village People

Activities Conducted on Day 5

1. Yoga Session

Day began with a refreshing yoga session conducted in the early morning in the Awali High School. NSS volunteers actively participated in various yogasanas, pranayama, and meditation techniques. The session emphasized the importance of yoga in maintaining physical fitness, mental peace, stress management, and overall well-being. The villagers were also encouraged to practice yoga regularly for a healthy lifestyle.

2. IEC (Information, Education & Communication) Practical

An IEC practical session was conducted to create awareness among villagers regarding personal hygiene, sanitation, nutrition, communicable diseases, and healthy habits in the highschool. Volunteers used charts, posters, demonstrations, and interactive talks to convey health messages effectively. The session helped in improving health awareness and promoting preventive health practices among the community.

3. Sanitation Activity

NSS volunteers carried out a sanitation drive in and around the village. Cleaning of roads, public places, drainage areas, and surroundings was done. The volunteers educated villagers about the importance of clean surroundings, waste segregation, proper disposal of garbage, and prevention of diseases caused by poor sanitation. This activity promoted the message of "Swachh Bharat Abhiyan."

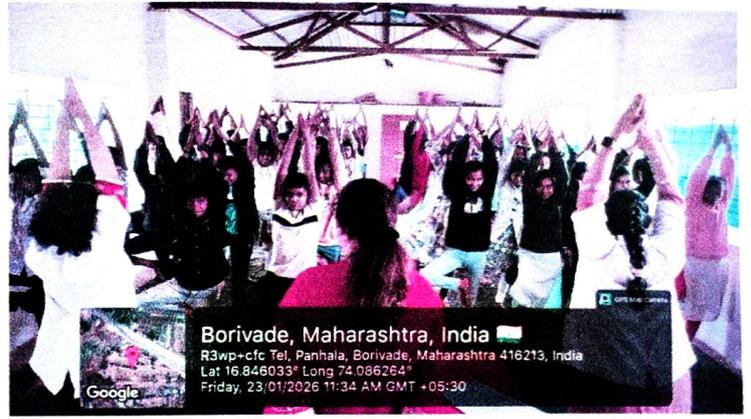

Conclusion

Day 5 of the NSS camp was successfully conducted with activities focusing on health promotion, awareness creation, and cleanliness. The yoga session enhanced physical and mental health, the IEC practical improved community awareness, and the sanitation drive contributed to a cleaner environment. The day strengthened the sense of social responsibility and teamwork among NSS volunteers.

NSS Special Camp Report

Day & Date: Day 6 , 24/01/2026

Place: Awali Village

Organised by: NSS Unit, Dr. Deepak Patil Ayurvedic Medical College, Borpadle

Theme of the Day: Environmental Protection, Cleanliness, and Health Awareness

Activities Conducted on Day 6

1. Tree Plantation Drive

The day began with a tree plantation programme conducted in and around Awali village. NSS volunteers actively participated in planting saplings such as neem, banyan, and other medicinal plants. Villagers were guided about the importance of trees in maintaining ecological balance, improving air quality, and promoting a healthy environment. Volunteers also took a pledge to protect and nurture the planted saplings.

2. Sanitation Activity

After plantation, a sanitation drive was carried out in public places, streets, and nearby areas. NSS volunteers cleaned roadsides and surroundings, spreading awareness about personal hygiene, waste management, and the importance of cleanliness. Interaction with villagers helped reinforce the message of Swachh Bharat Abhiyan and the prevention of communicable diseases.

3. Guest Lecture

In the morning a guest lecture was organized for NSS volunteers and villagers. The resource person delivered an informative talk on topics such as environmental conservation, sanitation, and healthy lifestyle practices. The lecture emphasized community participation, responsibility towards Youth, and the role of youth in nation-building. Volunteers actively participated in the interaction session and clarified their doubts.

Outcome of the Day

- Increased awareness about environmental conservation and cleanliness
- Active participation of villagers and students
- Development of social responsibility among NSS volunteers
- Strengthened bond between college and community

Conclusion

Day 6 of the NSS camp was meaningful and impactful. The combination of plantation, sanitation activities, and the guest lecture helped volunteers understand the importance of environmental protection, hygiene, and community awareness. The activities contributed positively to both personal development of students and the welfare of the village.
