4. Practical demonstrations and student practice sessions
5. Emphasis on team based emergency response

Question Answer & Feedback Session - 04:00 PM - 04:15 PM

Participants actively interacted with the resource persons, clarifying doubts related to ECG interpretation and BLS protocols.

Vote of Thanks

04:15 PM - 04:30 PM

1. The program concluded with a formal vote of thanks, expressing gratitude to:
2. Resource persons
3. College management
4. Organizing committee
5. Faculty members
6. Student volunteers and participants

Student Participation

Total 124 students participated enthusiastically.

Active involvement in discussions and practical sessions.

Students appreciated the hands on approach and real time demonstrations.

Faculty Participation

Faculty members from the Department of Kayachikitsa actively coordinated the event.

Teaching staff encouraged student participation and facilitated smooth execution.

Outcome of the Workshop

1. Improved understanding of ECG basics.
2. Enhanced confidence in performing Basic Life Support.
3. Increased awareness about emergency preparedness.
4. Strengthened integration of modern emergency care with Ayurvedic education.

Conclusion

The HRIDAYAM – 2025 Lecture cum Workshop on Basic Life Support was a highly successful academic and skill based program. It effectively bridged theoretical knowledge with practical application, equipping students with essential life saving skills.

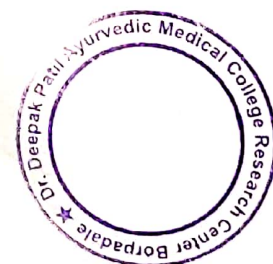

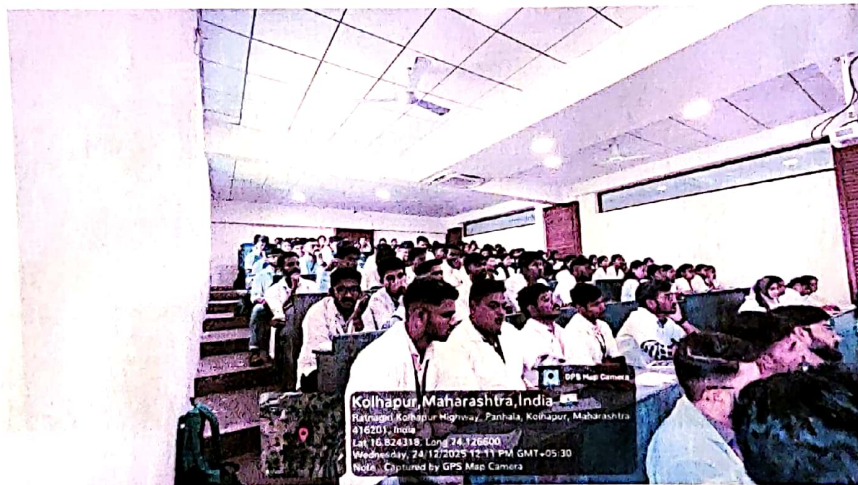

Future Scope

1. Organization of Advanced Cardiac Life Support (ACLS) workshops.

2. Regular hands on emergency training programs for students.
3. Certification based BLS training for interns and faculty.
4. Interdisciplinary workshops involving Ayurveda and modern medicine.
5. Annual continuation of HRIDAYAM series with advanced clinical themes.
