BOYS Hostel Mock Drill Training Report (Fire Safety)

Title of Activity:

Mock Drill Training on Fire Safety by Fire Safety providers.

Date:

17/04/2026

Venue:

Swami Samarth BOY'S Hostel, DDPAMC, Borpadle.

Organized by:

DDPAMC Administration in collaboration with Fire Safety Service providers

Participants:

- Hostel Rector
- Boys (Hostel Students)
- Teaching & Non-Teaching Staff
- Mess Staff
- Cleaning Staff

Introduction:

Fire safety awareness and emergency preparedness are essential in hostel premises. A mock drill training session was conducted at Swami Samarth Boy's Hostel to educate students and staff regarding fire safety, evacuation procedures, and proper use of firefighting equipment.

Objectives:

- 1.To create awareness about fire hazards
- 2.To train participants in emergency evacuation
To demonstrate use of fire extinguishers
- 3.To improve coordination during emergencies

Description of Activity:

The mock drill was conducted by fire Safety providers personnel. They explained types of fires, safety precautions, and demonstrated the use of fire extinguishers. Students, mess staff, and cleaning staff actively participated in practical training. A simulated fire situation was created and evacuation procedures were followed.

Outcome:

- 1.Improved awareness about fire safety
 - 2.Practical knowledge of fire extinguisher use
 - 3.Better emergency response skills
- Active participation of all staff and students

Conclusion:

The mock drill training was very effective and informative. It helped participants gain confidence in handling fire emergencies and ensured preparedness for real-life situations.
