**6. Introduction:**

Under the framework of the Memorandum of Understanding (MoU), an academic visit was organized by the Entrepreneurship Development Cell (EDC) to enhance practical knowledge, clinical exposure, and entrepreneurial orientation among BAMS students and interns.

This collaborative initiative aimed to bridge the gap between theoretical education and real-world Ayurvedic clinical practice, focusing on skill-based certification courses and specialty-based healthcare services.

**7. Aim of the Activity:**

To provide hands-on clinical exposure and entrepreneurial insight to students through structured MoU-based academic collaboration.

## **8. Objectives of the Visit:**

To facilitate practical learning and clinical exposure in specialized Ayurveda fields.

To introduce students to skill-based certification courses:

CCNAD (Nutrition & Ayurveda Dietetics)

CCAAP (Advance Panchakarma)

CCAMAD (Anorectal Disorders)

To promote entrepreneurship opportunities in Ayurveda practice.

To enhance understanding of clinical procedures, patient management, and healthcare delivery systems.

To strengthen institution-industry collaboration under MoU.

## **9. Proceedings of the Visit:**

The visit commenced with an orientation session conducted by Dr. Ajit S. Rajigare, highlighting the importance of skill-based education and specialization after BAMS.

### **Department-wise Exposure:**

#### **A. Swasthavritta Evum Yoga**

Students were introduced to:

Ayurveda nutrition and diet planning (CCNAD)

Lifestyle modification strategies

Preventive healthcare and wellness consultancy models

#### **B. Panchakarma**

Students observed:

Advanced Panchakarma procedures

Clinical setup and therapy protocols

Hands-on exposure to detoxification and rejuvenation techniques

#### **C. Shalya Tantra**

Students gained exposure to:

Ksharasutra therapy and anorectal disorder management

Clinical case discussions

Minimally invasive Ayurvedic surgical procedures

### **Key Highlights:**

Live demonstrations and clinical interactions

Exposure to patient-centric treatment approaches

Discussion on establishing specialty clinics and centres

Guidance on certification courses and admission procedures

The session was interactive, with active student participation and query resolution.

## **10. Outcome of the Visit:**

Enhanced clinical understanding and practical skills among students.

Increased awareness regarding specialized certification courses.

Strong motivation towards entrepreneurship and independent practice.

Improved insight into real-world Ayurvedic healthcare delivery.

Strengthened academic and professional collaboration under MoU.

## 11. Conclusion:

The visit was highly successful and aligned with the objectives of the Entrepreneurship Development Cell. It provided students with valuable exposure, practical insights, and professional direction, thereby enriching their academic journey and future career prospects.

The collaboration demonstrated effective implementation of MoU provisions through bilateral academic exchange and skill development initiatives.

## 12. Future Scope Ahead:

Implementation of certificate courses (CCNAD, CCAAP, CCAMAD) for interested students.

Organization of regular academic visits, workshops, and training sessions.

Development of student-led entrepreneurial ventures in Ayurveda.

Establishment of specialty clinics and wellness centres.

Strengthening industry-academia partnerships for long-term collaboration.

Integration of skill-based learning modules into academic curriculum.
