## World Environment Day Celebration Report 26

**Name of College:** Dr. Deepak Patil Ayurvedic Medical College & Research Centre, Borpadle

**Name of Activity:** World Environment Day Celebration

**Date:** 5 /06/2026

**Venue :** College Campus, DDPAMC, Borpadle

**Organized By:** NSS Unit and Dravyagun Department

**Participants :** Students, Teaching Faculty and Non-Teaching Staff

**Objectives :**

- 1.To create awareness regarding environmental conservation.
- 2.To encourage plantation and protection of trees.
- 3.To promote eco-friendly practices among students and staff.
- 4.To develop a sense of responsibility towards nature and sustainable development.

**Brief Description of Activity:**

World Environment Day was celebrated on 5th June 2026 at Dr. Deepak Patil Ayurvedic Medical College & Research Centre, Borpadle. The programme commenced with an introduction highlighting the significance of environmental protection and sustainable living.

A plantation drive was conducted in the college campus, where students and faculty members planted various medicinal and ornamental saplings. The importance of trees in maintaining ecological balance, reducing pollution, and promoting health was emphasized.

A speech activity was also organized for students. Participants delivered speeches on environmental conservation, climate change, waste management, and the role of

individuals in protecting the environment. The activity enhanced awareness and encouraged students to adopt environmentally responsible practices.

The programme witnessed enthusiastic participation from students and staff members, making the event successful and impactful.

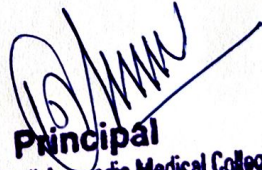

#### **Outcome of Activity:**

- Increased awareness regarding environmental issues and conservation.
- Encouraged students to participate in plantation and environmental protection activities.
- Promoted the importance of maintaining a clean and green environment.
- Developed a positive attitude towards sustainable living and ecological responsibility.

#### **Conclusion :**

The World Environment Day Celebration was successfully conducted at Dr. Deepak Patil Ayurvedic Medical College & Research Centre, Borpadale. The plantation drive and speech activity effectively conveyed the message of environmental conservation and inspired participants to contribute towards a greener and healthier future.
