Academic Committee

1. Introduction:

In order to ensure the effective planning, execution, and monitoring of teaching activities, Dr. Deepak Patil Ayurvedic Medical College and Research Centre, Borpadale, Panhala, Kolhapur has established an Academic Committee. The committee will function as the central body responsible for managing teaching schedules and academic planning in line with the institution's integrative approach to Ayurvedic education.

The Academic Committee is constituted as per institutional guidelines to ensure academic quality, transparency, and continuous improvement in teaching methodologies.

2. Aims and Objectives of the Committee:

The primary aims and objectives of the Academic Committee are as follows:

Plan and monitor academic activities: Develop and oversee academic schedules for the institution to ensure effective and timely delivery of the curriculum.

Integrative education: Promote an integrative approach to teaching that combines modern and traditional Ayurvedic knowledge across disciplines.

Ensure accessibility of teaching schedules: Facilitate the availability of teaching schedules on the college website and the Learning Management System (LMS) portal.

Quality assurance: Regularly review teaching quality, student feedback, and suggest improvements in pedagogical methods.

Adherence to timelines: Ensure that academic schedules are planned and announced at least one month prior to the academic term.

3. Vision and Mission of the Committee:

Vision:

To establish a dynamic and integrative academic system that fosters excellence in Ayurvedic education, enhances student learning experiences, and promotes a holistic approach to healthcare through well-coordinated and timely academic planning.

Mission:

The Academic Committee strives to ensure effective and high-quality academic planning, coordination, and execution across all departments. By fostering collaboration and integration among departments, the committee will contribute to producing knowledgeable and skilled Ayurvedic professionals ready to meet contemporary healthcare challenges.

4. Members and Structure of the Committee:

The composition of the Academic Committee ensures representation from all academic departments, fostering inclusivity and interdepartmental coordination in the planning and execution of teaching activities. The committee will be composed of the following members:

Chairperson:

The Vice-Principal or Deputy Dean or Deputy Director of the institution will serve as the Chairperson of the committee. The chairperson will oversee all committee functions, ensuring alignment with the institutional mission and goals.

Members:

One faculty member from each department will be appointed to the committee. This ensures that all academic departments have a say in the planning and monitoring of teaching schedules. Department representatives will act as a liaison between the committee and their respective departments, ensuring seamless communication and collaboration.

Proposed Structure:

Chairperson: Vice-Principal / Deputy Dean / Deputy Director

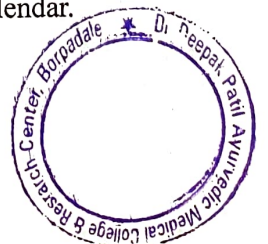

Members: One faculty representative from each of the following departments:

- Samhita Siddhant (Basic Principles)
- Ayurvedic Anatomy (Rachana Sharir)
- Ayurvedic Physiology (Kriya Sharir)
- Dravyaguna Vigyan (Pharmacology)
- Rognidan Evam Vikriti Vigyan (Pathology)
- Rasashastra Evam Bhaishajya Kalpana (Pharmacy)
- Svasthavritta evam Yoga (Preventive Medicine and Yoga)
- Agad Tantra (Toxicology)
- Shalya Tantra (Surgery)
- Shalakyata Tantra (ENT/Ophth)
- Stri Rog Evam Prasuti Tantra (Gynecology & Obstetrics)
- Kayachikitsa (General Medicine)
- Panchakarma (Detoxification Therapy)
- Balrog (Pediatrics)

5. Roles and Functions of the Committee:

The roles and functions of the Academic Committee will include the following:

Planning and execution of teaching schedules: Develop, coordinate, and finalize teaching schedules for each department, ensuring they are aligned with the academic calendar.

• Affiliated to Maharashtra University Of Health Sciences, Nashik. •

Integrative curriculum: Ensure that the teaching schedules are integrative in nature, blending theoretical knowledge with practical applications, and encouraging interdisciplinary learning.

Monitoring and evaluation: Regularly monitor the progress of academic activities and evaluate the effectiveness of teaching schedules through feedback from faculty and students.

Coordination with departments: Facilitate communication between various departments, ensuring all teaching activities are coordinated and aligned with institutional goals.

Website and LMS updates: Ensure that finalized teaching schedules are made available on the college website and the Learning Management System (LMS) portal for easy access by students and faculty.

Review and update schedules: Review teaching schedules regularly and make necessary adjustments based on institutional requirements, faculty input, and student feedback.

6. Expected Outcomes from the Committee's Work:

The following outcomes are expected from the functioning of the Academic Committee:

Timely availability of teaching schedules: Teaching schedules will be developed and announced at least one month in advance, providing students and faculty with sufficient time to prepare for upcoming courses.

Improved academic coordination: An integrative approach to teaching will enhance academic coordination across departments, promoting interdisciplinary learning and a holistic understanding of Ayurveda.

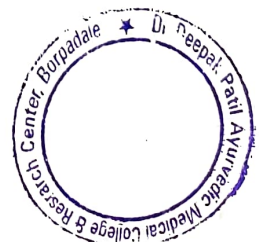

Enhanced student learning experiences: With a well-planned and monitored academic schedule, students will benefit from an organized learning environment that promotes knowledge retention and practical application.

Effective use of technology: By ensuring teaching schedules are accessible through the institutional website and LMS, the committee will promote the use of technology in academic planning and communication.

Increased accountability and transparency: Regular monitoring and updating of schedules will ensure accountability within departments and transparency in the academic process.

7. Associated Points and Guidelines:

The Academic Committee shall hold regular meetings to review the progress of teaching activities and schedules. Urgent meetings may be called as required to address any unforeseen academic issues.

The committee shall work closely with the college administration to ensure that all teaching activities comply with the institution's standards and regulatory requirements.

A report on the activities of the Academic Committee, including progress on teaching schedules, challenges faced, and proposed improvements, shall be submitted to the Principal at the end of each academic term.

Faculty members representing each department are expected to communicate regularly with their department colleagues to gather input, feedback, and suggestions to be discussed in committee meetings.

8. Conclusion:

The Academic Committee of Dr. Deepak Patil Ayurvedic Medical College and Research Centre, Borpadale, Panhala, Kolhapur is committed to fostering an environment of academic excellence through careful planning, coordination, and continuous improvement of teaching activities. The integrative approach promoted by the committee will enhance both faculty performance and student learning outcomes, positioning the institution as a leader in Ayurvedic education
